

Fundraising and Events Assistant

A Birmingham based consultancy, Get Grants Ltd provides a range of fundraising and grant making services, as well as training for the voluntary sector, including charities, sports clubs, schools and community organisations. The business has experienced an increase in demand for services and training courses. We are therefore responding to opportunities that present themselves through recruitment to this role.

A successful candidate would be instrumental in supporting further growth of the business through a varied role that will touch on all aspects of the consultancy. This will include bid writing consultancy services, coordination of training courses and events, marketing activities, and administrative support.

This exciting role is positioned at the heart of a small business providing an interesting workload that has the potential to develop into a permanent and expanding role.
